4. This Court has supplemental jurisdiction over Plaintiff's State Court claim, pursuant to 28 U.S.C. 1367.

5. Venue is properly in the United States District Court for the Southern District of Texas, Houston Division, because venue lies in the judicial district of the property situs. The Defendant's property is located the Southern District of Texas and the Defendant's conduct business within this judicial district.

III. STATUTORY BACKGROUND

6. On July 26, 1990, Congress enacted the Americans with Disabilities Act of 1990, establishing important civil rights for individuals with disabilities, including the right to full and equal enjoyment of goods, services, facilities, privileges, and access to places of public accommodation.

7. Among other things, Congress made findings in 42 U.S.C. § 12101 (a)(1)-(3), (5) and (9) that included:

a. Some 43,000,000 Americans have one or more physical or mental disabilities, and this number is increasing as the population as a whole is growing older;

b. Historically, society has tended to isolate and segregate individuals with disabilities, and, despite some improvements, such forms of discrimination against individuals with disabilities continue to be a serious and pervasive social problem;

c. Discrimination against individuals with disabilities persists in such critical

areas as employment, housing, public accommodations, education, transportation, communication, recreation, institutionalization, health services, voting and access to public services;

d. Individuals with disabilities continually encounter various forms of discrimination, including outright intentional exclusion, the discriminatory effects of architectural, transportation, and communication barriers, overprotective rules and policies, failure to make modifications to existing facilities and practices, exclusionary qualification standards and criteria, segregation, and regulation to lesser services, programs, activities, benefits, jobs or other opportunities; and

e. The continuing existence of unfair and unnecessary discrimination and prejudice denies people with disabilities the opportunity to compete on an equal basis and to pursue those opportunities for which our free society is justifiably famous, and costs the United States billions of dollars in unnecessary expenses resulting from dependency and non-productivity.

8. Congress also explicitly stated in 42 U.S.C. §12101 (b)(1)(2) and (4) that the purpose of the Americans with Disabilities Act was to:

a. Provide a clear and comprehensive national mandate for the elimination of discrimination against individuals with disabilities;

b. Provide clear, strong, consistent, enforceable standards addressing discrimination against individuals with disabilities; and,

c. Invoke the sweep of congressional authority, including the power to enforce the fourteenth amendment and to regulate commerce, in order to address the major areas of discrimination faced day-to-day by people with disabilities.

9. Furthermore, pursuant to 42 U.S.C. § 12182 and 28 CFR 36.201(a),

Congressional intent was for no place of public accommodation to discriminate against an individual, on the basis of such individual's disability, with regard to the full and equal enjoyment of the goods, services, facilities, privileges, advantages, or accommodations at that place of public accommodation.

10. Congress provided commercial businesses at least 18 months from enactment to make their facilities compliant to the regulations in the Americans with Disabilities Act. The effective date of Title III of the ADA was January 26, 1992, or January 26, 1993, if the Defendant has ten (10) or fewer employees and gross receipts of \$500,000 or less. 42 U.S.C. § 12181; 28 CFR 36.508(a).

IV. THE PARTIES AND STANDING

11. Plaintiff VICTOR MACEYRA is sui juris and qualifies as an individual with disabilities as defined by the ADA. Mr. Maceyra is quadriplegic and uses a wheelchair to ambulate. While at the Defendant's property, the Plaintiff encountered architectural barriers that endangered his safety. VICTOR MACEYRA visited the property which forms the basis of this lawsuit and plans to return to the property in the near future to avail him of the goods and services offered to the public at the property.

12. The Defendant has discriminated against the individual Plaintiff by denying him access to, and full and equal enjoyment of the goods, services, facilities, privileges, advantages and/or accommodations of the buildings, as prohibited by 42 U.S.C. § 12182 et seq.

13. Defendant owns; or leases; or leases to; or operates a place of public accommodation as defined by the ADA and the regulations implementing the ADA, 28 CFR 36.201(a) and 36.104. Defendant is responsible for complying with the obligations of the ADA. The places of public accommodation that the Defendant owns, operates, leases or leases to is known as OAK HILL PLAZA, and is located at 7071 Highway 71, Austin, TX 78735, in the

County of Travis.

14. VICTOR MACEYRA has a realistic, credible, existing and continuing threat of discrimination from the Defendant's non-compliance with the ADA with respect to this property as described but not necessarily limited to the allegations in paragraph 16 of this complaint. Plaintiff has reasonable grounds to believe that he will continue to be subjected to discrimination in violation of the ADA by the Defendant. VICTOR MACEYRA desires to visit OAK HILL PLAZA not only to avail himself of the goods and services available at the property but to assure himself that this property is in compliance with the ADA so that he and others similarly-situated will have full and equal enjoyment of the property without fear of discrimination.

15. The Defendant has discriminated against the individual Plaintiff by denying him access to, and full and equal enjoyment of, the goods, services, facilities, privileges, advantages and/or accommodations of the buildings, as prohibited by 42 U.S.C. § 12182 et seq.
